

Commonly Asked Questions About Credit Files

Q. How can I correct a mistake in my credit file?

A. Complete the Research Request form and give details of the information you believe is incorrect. We will then check with the credit grantor, collection agency or public record source to see if any error has been reported. Information that cannot be verified will be removed from your file. If you and a credit grantor disagree on any information, you will need to resolve the dispute directly with the credit grantor who is the source of the information in question.

Q. If I do have credit problems, is there someplace where I can get advice and assistance?

A. Yes, there are a number of organizations that offer assistance. For example, the Consumer Credit Counseling Service (CCCS) is a non-profit organization that offers free or low-cost financial counseling to help people solve their financial problems. CCCS can help you analyze your situation and work with you to develop solutions. There are more than 600 CCCS offices throughout the country. Call 1 (800) 388-2227 for the telephone number of the office nearest you.
